### About EU Reintegration Programme

The EU Reintegration Programme ensures the provision of reintegration assistance to returnees departing on a voluntary or non-voluntary basis from Member States and Schengen Associated Countries to their countries of origin. At the same time, it contributes to an effective return policy in the European Union, ensuring that returns are done in a dignified and humane manner. To implement this assistance, Frontex has concluded a partnership with **LIFE MAKERS FOUNDATION EGYPT** to assure the deliverance of high level of support.
